**DANCE COMMITMENT LEVEL:**

Each dance has its own costs and its own rehearsal time. Due to this fact, we allow families to select the maximum number of dances their child is able to participate in. Dancers may be cast in less dances than their desired number but will not be cast in more. At minimum, 7+ years will be casted in Two Group Dances. Directors have final say on all casting. Please refer to the Company Handbook for additional information.

**This is a Commitment Form.**

Please place the maximum number of dances you approve of your child committing to in the field below.

Based on acceptance, you are officially committing to the number of dances indicated below.
